

Designed By - Sherrie Warner Hunter

Sherrie Warner Hunter has exhibited her award winning artwork across the country. Since moving to Bell Buckle, TN in 1994, Hunter has concentrated on large scale public commissions and community built projects. Her work is included in numerous private collections and can be viewed publicly at the Nashville International Airport, TN; the Memphis Shelby County Public Library, TN; and Tiger Town Shopping Complex, Opelika, AL.

This amazing drawing depicting bits and pieces of familiar scenes of the Gateway will be installed under the direction of Ms. Hunter. Mosaic tiles will be applied to the entire wall of the accessible ramp of the Gateway Regional Arts Center along Wilson Alley. The mosaic will be approximately 25'x5' and will utilize help from volunteers and several community groups mentioned on the back of this brochure.
